Once the timetable is set and you have a confirmed place, this will remain so for consecutive weeks. However, if you are unable to attend one week your place will be offered to students on the waiting list. If your place is taken up by someone on the waiting list you will be put on to the waiting list instead. We will also operate this system if we have to change the day due to the weather.

We feel that this will be the fairest way to allow all students the opportunity to dance if there are places
